FUTURE OF ISLAM

‘O mankind ! hearken, this is the prophecy of God Who made the Heavens and the Earth. He will spread this Movement in all the countries and will give it supermacy over all through reason and argument. Remember, no one will descend from heaven. All our opponents who are living at present will die and not one of them will see Jesus, son of Mary, descend from the sky and then their children who survive them will also pass away and none of them will see Jesus, son of Mary, coming down from the heaven. Generations of their posterity will also perish and they too will not see the son of Mary decending from heaven. Then God will create restlessness in their hearts ; that the day of the glory of the Cross had passed away and the world had taken another turn but Jesus, son of Mary, had still not come down from the sky. Then all the wise people will discard this belief and the third century from today will not have completed when all those who had been waiting for Jesus, both Muslims and Christians will despair of his coming and, entertain misgivings and shall give up their belief and there will be only one Faith in the world and one preceptor. I came only to sow the seed. That seed has been sown by my hand. It will now grow and blossom forth and none dare retard its growth’.

(The Promised Messiah in Tazkira-tush-Shahadatain)

FOREWORD

The Directory now in your hand is an attempt to furnish up-to-date information about the Calcutta Jamaat.

Important dates and events in the history of the Ahmadiyya Movement have also been included to give it a wider range.

The different organs working at Qadian under the Sadr Anjuman Ahmadiyya have been incorporated in it to make this Directory more useful.

The ever-expanding mission work of this Movement is reflected in the section that gives glimpses of the activities of our mission houses operating abroad.

No work of reference however compendious, and however well established, can ever afford to stand still. Everything in this world changes except the Law of Change itself. To keep track of these changes, this handy volume will have to be revised, recast and re-edited from time to time.

We are fully aware that it is by no means a perfect work. It still leaves much scope for improvement.

We desire to express our deep sense of gratitude to Hazrat Sahibzada Mirza Wasim Ahmad Sahib for his luminous message which only adds lustre to this Directory.

Mr. Munir Ahmad Bani and Mr. Naseer Ahmad Bani provided funds for this publication. May they be aptly rewarded by Allah. Mr. Naseer Ahmad Bani is to be especially thanked for procuring and processing facts and figures and finally editing it.

Constructive criticism and reasonable suggestions will be thankfully received.

Md. Noor Alam Ahmadi
Ameer,

MESSAGE

From

MIRZA WASIM AHMAD SAHIB

When the Promised Messiah was raised for the spiritual reform of mankind, he was in extreme obscurity. Even Qadian, his village home, was unknown in its own district-not fully known in its Tehsil either, lying at a distance of only a few miles. It was then that God revealed unto him. "The time has come that thou shouldst be assisted and be known among the people."

He was alone when he was assigned this charge and those who joined him in the beginning were so financially handicapped that in 1892 when they met to draw a programme for extending the mission work to Europe and America, most of them promised to subscribe a meagre amount of a few annas a month. In accordance with His commitment, God made his efforts fruitful and the sapling he planted grew into a huge tree which now shelters under its comforting spiritual shade millions of people the world over, and the following revelations made in the beginning are being fulfilled steadily, and each day that dawns gives them an added glaze. "I shall give you a large party of Islam", and again "I shall take thy message to the farthest ends of the earth."

In the publication of this Ahmadiyya Directory, a long-felt need has been fulfilled. It is certainly a glaring example of the authenticity of these revelations.

At the initiative of Syed Md. Noor Alam Ahmadi, Ameer Jamaat Ahmadiyya, Calcutta, and with the financial assistance of Munir Ahmad Bani and Naseer Ahmad Bani, sons of Late Seth Md. Siddique Sahib Bani, this directory has been made public. May Allah bless them with the best of rewards. I pray Allah shall so bless it that it shall succeed in fulfilling the object for which it is being published. Amen.

Mirza Wasim Ahmad
Nazir Ala, Qadian.

JAMAAT AHMADIYYA

CALCUTTA

INTRODUCTION

The history of the Calcutta Jamaat dates back to 1918. Prior to this the Ahmadies, a few in number, lived scattered in different parts of the city. Congregational Prayers were conducted at the residential premises of Khawja Ghulam Nabi and later at the shop of M/S. Md. Amin Mohkam Din. A loosely organised Jamaat was formed in 1918 and meetings and prayers were held at Waterloo Street. After that, for a number of years, a small room in College Street was the venue of organizational as well as propagatory activities. In the late thirties when Hakeem Abu Taher Sahib became "Ameer", the organization assumed a concrete form.

The Anjuman Ahmadiyya which was located in the beginning at College Street shifted to Dharamtolla Street, then to Wellington Square and still later to Lower Chitpur Road. Finally, to-day it has its own imposing mosque and Mission House at 205, New Park Street.

Some of the eminent persons whom we have had the privilege of having as our Ameer were Hakim Abu Taher, Mirza Zafar Ahmad, Chowdhury A. A. Kahloon, Haji Shamsuddin, Molvi Bashir Ahmad Dehlvi, Mian Md. Hussain and Syed Karim Buksh ; in that order.

The Calcutta Jamaat has always been an active Jamaat. We hope to be more energetic in future. We promise to engage ourselves in solid social work for our community and our religion, "ISLAM" with more vigour ; In-Sha'allah.
