A few of them are:

- (1) The Mahdi will have a double name. One will be Ghulam and the other Ahmad and still another Mahmud and he will also be called Isa (Jesus) Masih. (Biharul Anwar vol. 13, pp. 7-8).

...he said: "This is Husain." So he may not exceed in killing and he is Mansur (helped, assisted, and aided), the Imam said: "Allah has named the Mahdi, al-Mansur as He has named Ahmad, Muhammad, and Mahmud, and as He has named Isa Masih."

Biharul Anwar Part 2 Pg 299

And our master, Imam Qaim (a.s.) would be standing, resting his back to the Kaaba. And he will say: O people, whoever wants to see Adam and Sheeth, should know that I am Adam and Sheeth. And whoever wants to see Nuh and his son, Saam, should know that I am that same Nuh and Saam. And whoever wants to see Ibrahim and Ismail, should know that I am that same Ibrahim and Ismail. And whoever wants to see Musa and Yusha, should know that I am that same Musa and Yusha. And whoever wants to see Isa and Shamoun, should know that I am that same Isa and Shamoun. And whoever wants to see Muhammad (s.a.w.s.) and Amirul Momineen, should know that I am that same Muhammad and Amirul Momineen. And whoever wants to see Hasan and Husain, should know that I am that same Hasan and Husain. And whoever wants to see the Imams from the progeny of Husain, should know that I am those same purified Imams. Accept my call and gather near me as I would inform you about all that has been said and all that has not been said."

Those of you who has read the heavenly books and divine scriptures should hear this: After that he would begin reciting those scriptures that were revealed on Prophet Adam and Prophet Sheeth and the community of Prophet Adam and Prophet Sheeth would listen to it and say: By Allah, these are the complete scriptures that he has shown us, which even we were unaware of and whatever had been concealed from or whatever that had been cancelled from them and that which had been interpolated and changed in them. After that he will recite the scriptures of Prophet Nuh and Ibrahim (a.s.); and the Taurat, Injeel and Zabur. The people of Taurat, Injeel and Zabur will say: Indeed, these are the scriptures of Prophet Nuh and Ibrahim and from which omissions and interpolations are made. By Allah, this is the complete Taurat, Injeel and Zabur, and it is better than whatever we used to recite so far.

Then he will recite the Holy Quran and the Muslims will exclaim: By Allah, this is in fact is the Quran that the Almighty Allah revealed on Prophet Muhammad (s.a.w.s.) and some verses had been cancelled from it and interpolations had been done in this.

Biharul Anwar Part 1 Pg 99

In *Kanz Jamiul Fawaid* and *Tawilul Ayatul Dhahira* it is narrated from Imam Ja'far Sadiq (a.s.) that he said: "This refers to his falsification of the Qaim from Aale Muhammad (a.s.) when he will say to him, 'We do not know you and you are not from the progeny of Fatima', as the polytheists said to Muhammad (a.s.)."

Biharul Anwar Part 1 Pg 178

"Behold, by Allah, your Mahdi will disappear from you until your ignorant individuals would say, 'Allah does not have any need in Aale Muhammad (a.s.)'. Then he will come like a blazing meteor. He will fill the earth with justice and equity as it will be full of injustice and oppression."

Biharul Anwar Part 1 Pg 114

"The Mahdi is from my sons; his name is my name and his patronymic is my patronymic. He is, of all people, the most similar one to me in his appearance and his character. There will be an occultation and a wonder about him, so much so that people will go astray from their religion. At that time, he will come like a meteor of piercing brightness, and fill it with justice and equity as it will be full of oppression and tyranny."

- (3) The Promised Mahdi will break the Cross i.e. he will refute and annihilate the creed of crucifixion by arguments against it. (Biharul Anwar Vol. 3, p. 198).

The holy Founder of Ahmadiyyat carried out the campaign against Cross and Christianity with such unprecedented zeal and enthusiasm that his contemporary scholars and people of renown confessed it loudly and publicly.

193- The author says: Husain bin Masud has narrated in *Sharh Sumah*, through his chains of narrators from the Messenger of Allah (s.a.w.s.) that he said:

"By the one in whose control my life is, very soon Ibne Maryam would descend among you with command and justice, he would break the cross and kill the swine, he will abrogate Jizya and would be so generous that no one would remain needful.

After that in the explanation of the above tradition, he writes: Breaking of the cross means that he would abrogate Christianity and 'command' implies that he would decide cases according to Islamic law.

Killing of the swine means that he would declare its use in food and clothing as unlawful, because it is impure in essence and Isa (a.s.) would kill it in accordance with the command of religion as it is not allowed to waste something which is pure for use.

His saying that he would abrogate Jizya means that he would convert all of them to Islam.

Thus Abu Huraira has narrated from the Messenger of Allah (s.a.w.s.) with regard to the descent of Isa (a.s.) that he said: During his time, except for Islam, all the religious groups would become extinct. Dajjal would be killed, and then Isa (a.s.) would remain alive for forty years. When he passes away, the Muslims would offer his funeral prayers.

The statement of the Prophet that Imam Qaim would abrogate Jizya means that there would be excess of wealth at that time and it would be impossible to find any way for spending Jizya money. He will offer money, but no one would accept it.

Biharul Anwar Part 2 Pg 192

"I heard Abu Ja'far Baqir (a.s.) say: "By Allah, a man from us, Ahul Bayt, will rule for three hundred and thirteen years and then for other nine years." I asked him: "When will that be?" He said: "After the death of the Qaim (a.s.)." I said: "How long will the Qaim rule until he dies?" He said: "He will be nineteen years since his rising until the day of his death."

- (b) Hazrat Imam Mahdi will be labelled as an apostate and most of the people will say: "We do not recognize you because you are not from among the progeny of Hazrat Fatima just as the idolators opposed the Holy Prophet". (Biharul Anwar Vol. 13, pp. 14, 192).

Review of Religions, October 1987 Pg 33

After these three submissions we now divert our attention to the most fundamental and basic aspect in connection with the advent of The Promised Mahdi, and it is that most of the heavenly and earthly signs foretold in the Shi'ite literature have already been fulfilled. We will enumerate them one by one:

1. Prior to the appearance of the Mahdi a meteor will rise. (Bihar-ul-Anwar Vol. 13, p. 171). This meteor appeared in 1881.
